

State of Idaho, Department of Environmental Quality  
**Air Quality Title V Emissions Tier I Worksheet**  
**Emission Year January 1, 2003 - December 31, 2003**

**NOTE: For each emission unit, enter the amount of the following pollutants you are registering. Attach additional copies of the worksheet as needed to support emission factors and calculation documentation in your Emissions Registration Form.**

Please specify requested emission type by using the following emission coding (column 1) values:

1 = Actual Emissions; 2 = Estimated Actual Emissions; 3 = Permitted Emissions

<b>Unit Name and Emission Unit ID Number:</b>	Emission	Emissions
<b>Point of Release:</b>	Coding	(Tons per Year)
<b>Pollutant:</b>	<i>Col. 1</i>	<i>Col. 2</i>
Line 1: Oxides of Sulfur (SOx)		
Line 2: Oxides of Nitrogen (NOx)		
Line 3: Particulate Matter (PM)		
Line 4: Volatile Organic Compounds (VOCs)		
Line 5: TOTAL of Lines 1 - 4		
Line 6: Radionuclides - TOTAL Curies		

<b>Unit Name and Emission Unit ID Number:</b>	Emission	Emissions
